Degree Partnership Program (DPP) students must designate OSU as their home school, register for a minimum of 6 credit hours at OSU, and meet the overall full-time enrollment requirement in combination with the designated partner school each term to be eligible to receive the award.

**SCHOLARSHIP RENEWAL:**

The Provost Scholarship will be renewed for up to three additional years (9 terms) beyond the first year, for a total of up to four years (12 terms) of support, provided the following terms and conditions are met:

- **NON-RESIDENT STATUS:** You must maintain non-resident status and pay non-resident tuition rates.
- **CONTINUOUS FULL-TIME ENROLLMENT:** You must maintain continuous full-time enrollment each term (12 or more credit hours). Students unable to maintain continuous full-time enrollment must notify the Scholarship Office in writing prior to the start of the term in question to request an award hold. Students who fail to meet the continuous full-time enrollment requirement will forfeit all remaining terms of scholarship eligibility.
- **EARN AT LEAST 36 CREDIT HOURS EACH YEAR:** You must maintain satisfactory progress towards an undergraduate bachelor's degree by successfully earning a minimum of 36 credit hours each academic year, which may include summer term if a payment has not been received for summer. Credit hours earned while participating in an OSU-sponsored program (DPP, study abroad, etc.) will be accepted towards the yearly credit hour requirement. **Credits you earned in high school (through IB, AP, or dual enrollment) DO NOT count toward the total credit hours required for renewal.** *Please note that completing the minimum credit requirement of 36 credits each year does not guarantee degree completion in four years (12 terms). Students must earn an average of 45 credits each year in order to meet degree requirements in four years (12 terms). Students who exceed 12 terms of enrollment will lose eligibility for their scholarship after the 12th term of payment.*
