1st Year at OSU

College of X

HOMETOWN: Merrill

MAJOR: Elementary education

"I am grateful for this scholarship because it gave me the opportunity to go to college. It relieved a little bit of stress and it also saved me from loans. Thank you! because without this scholarship, I would not have had the opportunity to reach one of my goals, which was to go to college."

WHY I CHOSE OSU:

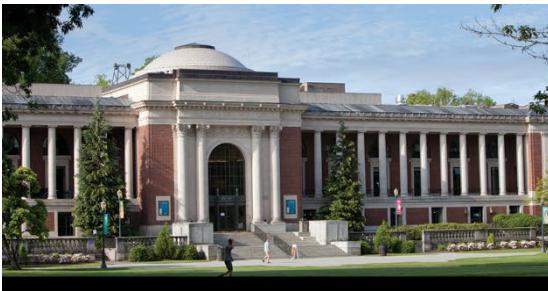

What led me to choose OSU was me wanting a change of environment. I am from a small town, and I've never lived in a big city, so I wanted to get that experience. They also offered a lot of resources that helped me during my first year.

AFFECT OF SCHOLARSHIPS:

Due to the scholarships I received, I knew I had to choose a school in state, but I am happy I did because I was able to receive the college experience I hoped for and still be close to home.

CHALLENGES:

The most challenging thing for me was going away from my family and having to meet new people. I have always been super shy and I think that this experience changed that a little and I was able to open up more.
